12 EXPLANATION

13 The inclusion of this explanation does not constitute agreement with
14 the explanation's substance by the members of the general assembly.

15 This bill is related to the vehicle registration duties of
16 county treasurers.

17 The bill provides that a county treasurer may collect
18 delinquent parking fines from a vehicle registration applicant
19 on behalf of the county or certain cities. The bill requires
20 the applicant to remit full payment for the delinquent parking
21 fines, along with a \$5 processing fee and the renewal fee,
22 to the county treasurer at the time of registration renewal.
23 A county treasurer collecting on behalf of the county or a
24 city is required to update the vehicle registration records
25 through the state department of transportation's distributed
26 teleprocessing network, on a daily basis, for all persons who
27 have paid delinquent parking fines in this manner. The bill
28 also makes corresponding changes.

29 The bill strikes language related to payment of computer
30 programming costs incurred by the department of transportation
31 to accommodate the collection of delinquent parking fines on
32 behalf of cities through Code chapter 28E agreements between
33 counties and cities and replaces that payment with a \$5 fee
34 that the county treasurer may collect for the collection of
35 such fines.

1 The bill further provides that a county treasurer may
2 cooperate with the clerk of the district court to collect
3 delinquent court debt owed to the clerk. The bill provides
4 that a county treasurer may lift a hold on vehicle registration
5 if an applicant remits full payment for the applicant's
6 delinquent court debt. The county treasurer may also collect a
7 \$5 fee for the collection of such court debt for deposit in the
8 county general fund.
